The image shows a mobile application interface with a dark theme. At the top left is a logo with a white triangle on a blue and red background. To the right is a window management icon. Below this is a search bar with a dropdown arrow and a refresh icon. The main section is titled "Market Status" with a refresh icon. It contains a table with three columns: market name, status, and market state. Below the table is a large empty rectangular area. At the bottom, there is a footer with the text "Copyright Financial Technologies ©2014" and an Android-style navigation bar with icons for back, home, and recent apps, along with system status icons for signal, Wi-Fi, battery (84%), and time (3:58 PM).
